

Looking for those serious about sailing on Lake Ray Hubbard, Galveston Bay and BVI.

I am looking for those serious about sailing and having some fun learning sailing.

We sail on Lake Ray Hubbard or making trip to Kemah to sail on Galveston bay and trips to the British Virgin Islands for 7-10 days sailing and snorkeling around Tortola.

If you are serious then you need to download the App called "Go Sailing."

<http://gosailingapp.com/>

Make a profile and then look for me, "Capt T"

I will post trips that I am going to have on that site.

After July 1st this will be the only location for sailing with me.

Please make sure to connect with me or to email me and let me know you are on there and what your name is, so I can add you to the list of prospective crew for trips.

The trip will show if there is a charge for the trip and how many are able to go.

Typically these are the costs:

I would like those sailing on Lake Ray Hubbard with me, to donate \$10-20 to the "Ride For Kids" I have raised over \$1000 the last two years by asking for the donations and would like to do more this year, so please be generous, if you enjoy sailing on Lake Ray Hubbard.

We do day trips to Kemah and sail on Galveston Bay. We can car pool or you just meet me at the docks about 10:30 am in Kemah on the Saturday that we are sailing. We go out and sail for the afternoon and then return and spend the night in Kemah. We all find places to spend the night and get together for dinner and fun Saturday night. The cost of the sailing, boat rental is usually about \$75-100 per person. You bring what you want to have for lunch and drinks.

We do trips to the British Virgin Islands in the spring. Cost is \$1650 per person, with two people in each cabin. I charter a 45-50ft monohull sailboat for 7-10 days, for 6-8 people. We typically fly down on Fri or Saturday and get to the boat that night. Sleep aboard and then start sailing in the morning.

Included for the \$1650 is the charter of boat, mooring fees, cost of food for breakfast, lunch and happy hour. Also cost of 5-6 dinners ashore. If a 10 day trip there may be an extra charge for the additional diners ashore.

NOT INCLUDED – Airfare from DFW to STT, St Thomas, American Virgin Islands and fast ferry from St Thomas to Tortola. Most the alcohol you drink.

For all of these sailing there will always be limited space, please DO NOT sign up until you are sure you are able to go.
